

## English Language Websites and Applications

Here are some useful websites and free English Language Apps.

It would be great to have your feedback on them. Please let me know of any others that you think are useful.

### USEFUL WEBSITES

BBC Learning English website has short lessons that are relevant and interesting. Transcripts and audio files are also available.

Try the following:

- 6 minute vocabulary
- 6 minute grammar
- News report
- Words in the news
- The English we speak

The previous BBC website still has plenty of useful material and is worth a look
